

Let's Turn our Issues into Opportunities — For a Green Future

<p>Let's get the trains out of St. Boniface.</p>	<ol style="list-style-type: none"> 1. For our safety. 2. For our community's vitality. 3. To make way for efficient bus routes. 4. To give us room for green spaces. 5. To add bike paths. 6. To create a green belt and encourage densification and sustainability. 7. To plan for the future. 	<ol style="list-style-type: none"> 1. I will discuss it today, and will continue talking about it to colleagues and residents. 2. I will keep this a top priority. I am willing to take on long-term projects. 3. I will hold the Province accountable as lead negotiator between federal and municipal governments.
<p>Let's adopt electoral reform.</p>	<ol style="list-style-type: none"> 1. Change the rules of our broken system. 2. Elect MLAs who will share the people's' values. 3. Prevent further government abuse. 	<ol style="list-style-type: none"> 1. I will hold MB-wide consultation sessions to determine which system voters favour. 2. I will propose a private member's bill in my first year.
<p>Let's transform St. Boniface into a green economy hub.</p>	<ol style="list-style-type: none"> 1. Establish a tangible and attainable plan to attract green enterprises. 2. Create careers in the most stable sector of the future. 3. Invest the revenues from the carbon tax in green economy to ensure desirable careers for the residents of St. Boniface, while mitigating climate change. 4. Strengthen our education capacity, create a bilingual trades school, and train the next generation. 	<ol style="list-style-type: none"> 1. I will work with existing community organizations to lead this plan. 2. I will propose an amendment to the carbon tax in order to tax the most polluting industries, who are currently exempt from said tax. 3. I will bring forward a private member's bill to ensure departments have the authority they need to hold private enterprises accountable to their environmental licences, to fine those who break the law, and ensure public safety.
<p>Let's create daycares in seniors' homes.</p>	<ol style="list-style-type: none"> 1. Let's address the gaps regarding daycare and seniors' homes. 2. Let's break the isolation of our elders and keep them in good physical and mental health. 3. Let's invest in early childhood education. 4. Let's use existing infrastructure. 5. Let's create a structure favourable to transmitting culture and knowledge, and anchored in helping families. 	<ol style="list-style-type: none"> 1. I will propose a pilot project in St. Boniface with the help of provincial funds. 2. I will encourage existing institutions in planning for daycare inclusion in seniors' residences. 3. I will support existing initiatives, as well as efforts of parents' and seniors' groups. 4. I will seek partners in the community. 5. I will support the BEF report (Bureau de l'éducation française).
